| Brought items cost are 25% of retail cost of item with min of 12, plus print cost. With at least 1 extra of each size supplied with understanding there could be a 2% spoliage allowance of garments. Each item must come without tags or bags. There will be a charge of \$1 per bag remove and \$1 for each tag that is cut. Any that we have to remove or cut will be thrown away. (This must all be done for before they can be processed.) |  |             |   |            |  |  |
| To figure cost for brought item.  |  |             |   |            |  |  |
| ((item retail cost x .25) + print cost + each tag or bag removed \$1 each)= cost  |  |             |   |            |  |  |
